Hello, my name is [REDACTED]. I am a constituent of [Inset legislators name] calling about the safety of Oromo civilians living in Ethiopia.

As you may be aware, the Ethiopian government recently launched a new military operation inside Oromia, with the mission of eliminating the OLA. These forces, often aligned with Amhara militias (*Fano*), have instead been perpetrating widespread attacks against Oromo civilians, including drone and helicopter strikes. I have heard that in the last 2 weeks, at least 278 civilians died.

I am deeply concerned about the impact this military offensive is having on the lives of ordinary Oromo civilians throughout Oromia.

I urge you to condemn the recent attacks against civilians throughout Oromia, including the use of drones to target civilian populations. I urge you to further call on the Ethiopian government to cease its military operation inside Oromia, as a measure that undermines peace and stability throughout the entire Horn of Africa.

This issue is very important to me, and I thank you for your consideration.
