Hello, my name is [REDACTED]. I am a constituent of [Inset legislators name] calling about recent drone strikes and other attacks being carried out throughout the Oromia region of Ethiopia, leading to the death of civilians..

As you may be aware, over the past few weeks, there have been multiple reports of drone attacks throughout central and western Oromia, leading to the deaths of countless civilians. In addition, the Amhara militia group known as Fano has recently escalated its attacks against Oromo civilians throughout the region.

I believe it is important for your office to condemn these drone strikes, and to call on the Ethiopian government to protect civilians' lives. The US government must urge Ethiopia to seek peaceful means to address conflicts throughout the country.

This issue is very important to me, and I thank you for your consideration.
